1. (a) Planned activities for 2019-20 to 2020-21

– National Psychosocial Support Measure

Proposed Activities - copy and complete the table as many times as necessary to report on each activity	
ACTIVITY TITLE	NPS1 – Commission the National Psychosocial Support Measure in accordance with the NPS Guidance
Existing, Modified, or New Activity	<p>Indicate if this is an existing activity, modified activity, or a new activity.</p> <p>Existing Activity</p> <p>If activity is existing or modified, provide the relevant reference/s from previous Activity Work Plan/s where possible.</p>
Aim of Activity	To build psychosocial functional capacity of clients who are not accessing the NDIS that addresses individual needs and complements clinical mental health and physical health services.
Description of Activity	<p>CSAPHN will continue to commission non-government organisations with expertise in delivering services to people with mental illness, to deliver psychosocial support services. A tendering process has been undertaken to determine the most appropriate organisations to deliver this service.</p> <p>All contracted services will continue to be monitored and evaluated in accordance with direction from provided schedules for activity and via the overarching performance and commissioning frameworks of the PHN.</p> <p>All NPS service providers will support partnerships, clinical handover and linkages. They will:</p> <ul style="list-style-type: none"> • support referrers to ensure individuals are appropriately referred to the most suitable psychosocial treatment available. • interact with the broader social services sector • effectively manage and monitor data • engage with the LHN(s) and acute sector.
Target population cohort	People with severe mental illness who are not eligible for assistance through the NDIS, and who did not previously receive psychosocial services through programs such as Partners in Recovery (PIR), Day to Day Living (D2DL) or the Personal Helpers and Mentors (PHaMs).
Indigenous specific	<p>Is this activity targeted to, or predominantly supporting, Aboriginal and Torres Strait Islander people?</p> <p>No</p> <p>If yes, briefly describe how this activity will engage with the Indigenous sector.</p>
Coverage	<p>Local Government Areas:</p> <p>Murraylands Region:</p> <p>Mid Murray</p>

	<p>Murray Bridge Karoonda East Murray Southern Mallee Coorong</p> <p>Riverland Region: Loxton Waikerie Berri and Barmera Renmark Paringa Gerard</p> <p>South East Region: Mount Gambier Grant Wattle Range Robe Naracoorte and Lucindale Kingston Tatiara</p>
Consultation	<p>CSAPHN met with a range of providers individually as part of the initial needs assessment process to determine locations of highest need and service model.</p> <p>In addition, Country SA PHN consults with a range of organisations and the LHN via:</p> <ul style="list-style-type: none"> • Regular CSAPHN and CHSALHN quarterly meetings • The monthly NDIS Mental Health Interest Group meeting – co-chaired by the Mental Health Coalition of South Australia and National Disability Services • Central Adelaide and Hills Psychosocial NDIS Communities of Practice The Country North SA PIR Consortium (Chair) <p>Ongoing consultation occurs via the South Australian National Disability Insurance Scheme (NDIS) Psychosocial Disability Transition Task Force. The purpose of this taskforce is to monitor the impact of the NDIS transition arrangements on clients and service providers and develop solutions and advise on appropriate action. Membership of the taskforce consists of State Government Agencies, Australian Government Agencies, PHNs, NGOs and Live Experience Representatives.</p>
Collaboration	<p>Collaboration with commissioned providers occurs via ongoing communication regarding the effectiveness of the service and any issues with access and demand.</p>
Activity milestone details/ Duration	<p>Provide the anticipated activity start and completion dates (including the planning and procurement cycle):</p> <p style="padding-left: 40px;">Activity start date: 1/07/2019 Activity end date: 30/06/2021</p> <p>If applicable, provide anticipated service delivery start and completion dates (excluding the planning and procurement cycle):</p>

	<p>Service delivery start date: Month. Year. Service delivery end date: Month. Year.</p> <p>Any other relevant milestones?</p>
<p>Commissioning method and approach to market</p>	<p>1. Please identify your intended procurement approach for commissioning services under this activity:</p> <ul style="list-style-type: none"> <input type="checkbox"/> Not yet known <input checked="" type="checkbox"/> Continuing service provider / contract extension <input type="checkbox"/> Direct engagement. If selecting this option, provide justification for direct engagement, and if applicable, the length of time the commissioned provider has provided this service, and their performance to date. <input type="checkbox"/> Open tender <input type="checkbox"/> Expression of Interest (EOI) <input type="checkbox"/> Other approach (please provide details) <p>2a. Is this activity being co-designed? No</p> <p>2b. Is this activity this result of a previous co-design process? Yes</p> <p>3a. Do you plan to implement this activity using co-commissioning or joint-commissioning arrangements? No</p> <p>3b. Has this activity previously been co-commissioned or joint-commissioned? No</p>

2. (b) Planned activities for 2019-20

– National Psychosocial Support Transition Funding

Proposed Activities - copy and complete the table as many times as necessary to report on each activity	
ACTIVITY TITLE	NPST 1 - Commission existing Commonwealth funded psychosocial support Service Providers to deliver Extended Transitional Support for 12 months in accordance with the NPS Guidance material.
Existing, Modified, or New Activity	<p>Indicate if this is an existing activity, modified activity, or a new activity.</p> <p>New Activity</p> <p>If activity is existing or modified, provide the relevant reference/s from previous Activity Work Plan/s where possible.</p>
Aim of Activity	To ensure all active Commonwealth funded community mental health (CCMH) clients receive appropriate psychosocial support services whilst testing eligibility for supports under the NDIS and transitioning to ongoing services by June 2020.
Description of Activity	<p>CSAPHN will fund, engage and commission Service Providers of existing Commonwealth funded psychosocial support programs (Partners in Recovery (PIR), Personal Helpers and Mentors Program (PHaMs) and Day to Day Living (D2DL)) to deliver Extended Transitional Support.</p> <p><i>Six months of the Continuity of Support (CoS) service will also be commissioned to facilitate time for CSAPHN to develop a new process for the ongoing CoS service and NPS connectivity in each region. Data regarding the number of clients who are eligible for CoS will be able to be collected during this period to inform this process.</i></p> <p>This will facilitate existing Service Providers to support current clients to transition to the NDIS or CoS and receive appropriate levels of support during this period of transition.</p> <p>All contracted services will be monitored and evaluated in accordance with direction from provided schedules for activity and via the overarching performance and commissioning frameworks of the PHN.</p>
Target population cohort	CCMH clients as at 30 June 2019 who were accessing supports through Partners in Recovery (PIR), Day to Day Living (D2DL) and Personal Helpers and Mentors (PHaMs) programs and who have not yet tested eligibility for supports under the NDIS or are yet to transition to ongoing supports under the NDIS or CoS. This includes clients waiting to receive an access decision or plan or waiting for support to begin under the NDIS.
Indigenous specific	Is this activity targeted to, or predominantly supporting, Aboriginal and Torres Strait Islander people?

	<p>No</p> <p>If yes, briefly describe how this activity will engage with the Indigenous sector.</p>
Coverage	All Country South Australia
Consultation	Previous PHaMs, D2DL and PIR providers are to be consulted. Client numbers, transition data, funding allocations, remoteness and key issues will be considered.
Collaboration	Ongoing collaboration with the commissioned providers will occur via regular meetings and quarterly reporting.
Activity milestone details/ Duration	<p>Provide the anticipated activity start and completion dates (including the planning and procurement cycle):</p> <p>Activity start date: 1/07/2019</p> <p>Activity end date: 30/06/2020</p> <p>If applicable, provide anticipated service delivery start and completion dates (excluding the planning and procurement cycle):</p> <p>Service delivery start date: Month. Year.</p> <p>Service delivery end date: Month. Year.</p> <p>Any other relevant milestones?</p>
Commissioning method and approach to market	<p>1. Please identify your intended procurement approach for commissioning services under this activity:</p> <p><input type="checkbox"/> Not yet known</p> <p><input type="checkbox"/> Continuing service provider / contract extension</p> <p><input checked="" type="checkbox"/> Direct engagement. If selecting this option, provide justification for direct engagement, and if applicable, the length of time the commissioned provider has provided this service, and their performance to date. All current providers were approached to ensure continuity of service could occur during the transition period.</p> <p><input type="checkbox"/> Open tender</p> <p><input type="checkbox"/> Expression of Interest (EOI)</p> <p><input type="checkbox"/> Other approach (please provide details)</p> <p>2a. Is this activity being co-designed? No</p> <p>2b. Is this activity this result of a previous co-design process? No</p> <p>3a. Do you plan to implement this activity using co-commissioning or joint-commissioning arrangements? No</p> <p>3b. Has this activity previously been co-commissioned or joint-commissioned? No</p>

3. (b) Planned activities for 2019-20 to 2020-22 – Continuity of Support

Proposed Activities - copy and complete the table as many times as necessary to report on each activity	
ACTIVITY TITLE	COS 1 - Commission existing Commonwealth funded psychosocial support Service Providers to deliver 6 months CoS to support Extended Transitional Support
Existing, Modified, or New Activity	Indicate if this is an existing activity, modified activity, or a new activity. New Activity If activity is existing or modified, provide the relevant reference/s from previous Activity Work Plan/s where possible.
Aim of Activity	To ensure all active Commonwealth funded community mental health (CCMH) clients who have been found ineligible for the NDIS receive appropriate ongoing psychosocial support services whilst ongoing arrangements are considered. whilst testing eligibility for supports under the NDIS and transitioning to ongoing services by June 2020.
Description of Activity	CSAPHN will fund, engage and commission Service Providers of existing Commonwealth funded psychosocial support programs (Partners in Recovery (PIR), Personal Helpers and Mentors Program (PHaMs) and Day to Day Living (D2DL)) to deliver six months of the Continuity of Support (CoS) service to facilitate time for CSAPHN to develop a new process for the ongoing CoS service and NPS connectivity in each region. Data regarding the number of clients who are eligible for CoS will be able to be collected during this period to inform this process. All contracted services will be monitored and evaluated in accordance with direction from provided schedules for activity and via the overarching performance and commissioning frameworks of the PHN.
Target population cohort	People with severe mental illness who are not eligible for assistance through the NDIS, and who are no longer receiving psychosocial services through programs such as Partners in Recovery (PIR), Day to Day Living (D2DL) or the Personal Helpers and Mentors (PHaMs).
Indigenous specific	Is this activity targeted to, or predominantly supporting, Aboriginal and Torres Strait Islander people? No If yes, briefly describe how this activity will engage with the Indigenous sector.
Coverage	All Country South Australia

Consultation	All current PHaMs, D2DL and PIR providers are to be consulted. Client numbers, transition data, funding allocations, remoteness and key issues will be considered.
Collaboration	Ongoing collaboration with the commissioned providers will occur via regular meetings and quarterly reporting.
Activity milestone details/ Duration	<p>Provide the anticipated activity start and completion dates (including the planning and procurement cycle):</p> <p>Activity start date: 1/07/2019 Activity end date: 31/12/2019</p> <p>If applicable, provide anticipated service delivery start and completion dates (excluding the planning and procurement cycle):</p> <p>Service delivery start date: Month. Year. Service delivery end date: Month. Year.</p> <p>Any other relevant milestones?</p>
Commissioning method and approach to market	<p>1. Please identify your intended procurement approach for commissioning services under this activity:</p> <p><input type="checkbox"/> Not yet known <input type="checkbox"/> Continuing service provider / contract extension <input checked="" type="checkbox"/> Direct engagement. If selecting this option, provide justification for direct engagement, and if applicable, the length of time the commissioned provider has provided this service, and their performance to date. All current providers were approached to ensure continuity of service could occur during the transition period. <input type="checkbox"/> Open tender <input type="checkbox"/> Expression of Interest (EOI) <input type="checkbox"/> Other approach (please provide details)</p> <p>2a. Is this activity being co-designed? No</p> <p>2b. Is this activity this result of a previous co-design process? No</p> <p>3a. Do you plan to implement this activity using co-commissioning or joint-commissioning arrangements? No</p> <p>3b. Has this activity previously been co-commissioned or joint-commissioned? No</p>

Proposed Activities - copy and complete the table as many times as necessary to report on each activity

ACTIVITY TITLE	COS 2 - Commission new psychosocial services under Continuity of Support (CoS) for Country South Australia
Existing, Modified, or New Activity	Indicate if this is an existing activity, modified activity, or a new activity. New Activity If activity is existing or modified, provide the relevant reference/s from previous Activity Work Plan/s where possible.
Aim of Activity	To commission new psychosocial support services targeted to support clients who previously accessed services under the Commonwealth community mental health programs PIR, D2DL and PHaMs who are ineligible for the NDIS.
Description of Activity	CSAPHN will undertake a commissioning and procurement process to identify best placed regional providers to deliver CoS services to identified clients of the Commonwealth community mental health programs PIR, D2DL and PHaMs who are found ineligible for supports under the NDIS.
Target population cohort	Previous clients of the Commonwealth community mental health programs Partners in Recovery (PIR), Day to Day Living (D2DL) or the Personal Helpers and Mentors (PHaMs) who are found ineligible for supports under the NDIS. To be eligible for services under the CoS program, persons must: 1) have accessed supports under PIR, D2DL or PHaMs as at 30 June 2019; 2) have tested for eligibility under the NDIS and received an ineligible assessment decision or, have been deemed ineligible to apply due to under age or residence requirements; 3) reside in the coverage area of the PHN where they are seeking support; 4) not be restricted in their ability to fully and actively participate in the community because of their residential settings (e.g. prison or a psychiatric facility); and 5) not be receiving or entitled to receive similar community supports through state or territory government programs.
Indigenous specific	Is this activity targeted to, or predominantly supporting, Aboriginal and Torres Strait Islander people? No If yes, briefly describe how this activity will engage with the Indigenous sector.
Coverage	All Country South Australia
Consultation	All current PHaMs, D2DL and PIR providers are to be consulted. Client numbers, transition data, funding allocations, remoteness and key issues will be considered.
Collaboration	Ongoing collaboration with the commissioned providers will occur via regular meetings and quarterly reporting.

<p>Activity milestone details/ Duration</p>	<p>Provide the anticipated activity start and completion dates (including the planning and procurement cycle): Activity start date: 1/01/2020 Activity end date: 30/06/2021</p> <p>If applicable, provide anticipated service delivery start and completion dates (excluding the planning and procurement cycle): Service delivery start date: Month. Year. Service delivery end date: Month. Year.</p> <p>Any other relevant milestones?</p>
<p>Commissioning method and approach to market</p>	<p>1. Please identify your intended procurement approach for commissioning services under this activity:</p> <ul style="list-style-type: none"> <input type="checkbox"/> Not yet known <input type="checkbox"/> Continuing service provider / contract extension <input checked="" type="checkbox"/> Direct engagement. If selecting this option, provide justification for direct engagement, and if applicable, the length of time the commissioned provider has provided this service, and their performance to date. All current providers were approached to ensure continuity of service could occur during the transition period. <input checked="" type="checkbox"/> Open tender <input type="checkbox"/> Expression of Interest (EOI) <input type="checkbox"/> Other approach (please provide details) <p>2a. Is this activity being co-designed? No</p> <p>2b. Is this activity this result of a previous co-design process? No</p> <p>3a. Do you plan to implement this activity using co-commissioning or joint-commissioning arrangements? No</p> <p>3b. Has this activity previously been co-commissioned or joint-commissioned? No</p>

4. (c) Planned activities for 2019-20

– Psychosocial Support Interface

Proposed Activities - copy and complete the table as many times as necessary to report on each activity	
ACTIVITY TITLE	INT 1 – Undertake an “unmet need” project to identify developing gaps in the psychosocial sector.
Existing, Modified, or New Activity	<p>Indicate if this is an existing activity, modified activity, or a new activity.</p> <p>New Activity</p> <p>If activity is existing or modified, provide the relevant reference/s from previous Activity Work Plan/s where possible.</p>
Aim of Activity	To develop a robust picture of the unmet need for psychosocial services within Country SA and in particular locations to inform ongoing PHN commissioning
Description of Activity	<p>Collaborate with relevant organisations to gather evidence and data on unmet need, particularly for new referrals in Country SA regions who are currently without NPSM services.</p> <p>Engage with the Mental Health Coalition of South Australia (in partnership with identified University) to recruit a Research Fellow to lead this project.</p> <p>Ensure regular updates on this project are provided to the NDIS Mental Health Interest Group. Membership of this group includes service providers, peak bodies, PHNs and state representatives.</p> <p>Ensure regular updates are provided to the South Australian National Disability Insurance Scheme (NDIS) Psychosocial Disability Transition Task Force.</p>
Target population cohort	People with severe mental illness who are not eligible for assistance through the NDIS, and who psychosocial services through programs such as Partners in Recovery (PIR), Day to Day Living (D2DL) or the Personal Helpers and Mentors (PHaMs).
Indigenous specific	<p>Is this activity targeted to, or predominantly supporting, Aboriginal and Torres Strait Islander people?</p> <p>No</p> <p>If yes, briefly describe how this activity will engage with the Indigenous sector.</p>
Coverage	Country SA
Consultation	<p>Consultation, communication and planning will inform establishment arrangements and initial planning of the unmet need project. This will occur with a range of key organisations as follows:</p> <ul style="list-style-type: none"> • South Australian NDIS Psychosocial Disability Transition Task Force • Country SA and Adelaide PHN • Mental Health Coalition of South Australia (MHCC) • Psychosocial Support Service Providers

	<ul style="list-style-type: none"> • Country SA Local Health Network • Flinders University
Collaboration	<p>The Mental Health Coalition of South Australia will lead this project.</p> <p>The NDIS Mental Health Interest Group will provide regular information to the project.</p>
Activity milestone details/ Duration	<p>Provide the anticipated activity start and completion dates (including the planning and procurement cycle):</p> <p>Activity start date: 1/07/2019 Activity end date: 30/06/2020</p> <p>If applicable, provide anticipated service delivery start and completion dates (excluding the planning and procurement cycle):</p> <p>Service delivery start date: Month. Year. Service delivery end date: Month. Year.</p> <p>Any other relevant milestones?</p>
Commissioning method and approach to market	<p>1. Please identify your intended procurement approach for commissioning services under this activity:</p> <p><input type="checkbox"/> Not yet known <input type="checkbox"/> Continuing service provider / contract extension <input checked="" type="checkbox"/> Direct engagement. If selecting this option, provide justification for direct engagement, and if applicable, the length of time the commissioned provider has provided this service, and their performance to date.</p> <p>The PHN relationship with the Mental Health Coalition has been ongoing throughout the development of the NPSM in South Australia. They are well placed as the representative body to lead this project.</p> <p><input type="checkbox"/> Open tender <input type="checkbox"/> Expression of Interest (EOI) <input type="checkbox"/> Other approach (please provide details)</p> <p>2a. Is this activity being co-designed? Yes</p> <p>2b. Is this activity this result of a previous co-design process? No</p> <p>3a. Do you plan to implement this activity using co-commissioning or joint-commissioning arrangements? No</p> <p>3b. Has this activity previously been co-commissioned or joint-commissioned? No</p>

Proposed Activities - copy and complete the table as many times as necessary to report on each activity

ACTIVITY TITLE	INT 2 - Ensure commissioned services complement or enhance existing services under the South Australian NPS measure bilateral agreement.
Existing, Modified, or New Activity	Indicate if this is an existing activity, modified activity, or a new activity. Modified Activity If activity is existing or modified, provide the relevant reference/s from previous Activity Work Plan/s where possible.
Aim of Activity	Developing referral pathways for clinicians, community mental health providers and state government funded clinical mental health services to enable people within the community to access PHN funded psychosocial supports.
Description of Activity	NPS services complement and enhance the Intensive Home Based Support Service (IBHSS) delivered by the State government under the NPS measure bilateral agreement. The IBHSS is the service delivered under the NPSM bi-lateral agreement by the State government. Neami National are funded to deliver this service across South Australia. CSAPHN will continue to collaborate with Neami National to ensure our services have good referral pathways for clients between the services and do not duplicate activity.
Target population cohort	People with severe mental illness who are not eligible for assistance through the NDIS, and who are not receiving psychosocial services through programs such as Partners in Recovery (PIR), Day to Day Living (D2DL) or the Personal Helpers and Mentors (PHaMs).
Indigenous specific	Is this activity targeted to, or predominantly supporting, Aboriginal and Torres Strait Islander people? No If yes, briefly describe how this activity will engage with the Indigenous sector.
Coverage	IBHSS is only provided in three country locations of which Murray Bridge is the only corresponding location with an NPS service.
Consultation	Ongoing consultation occurs via the South Australian National Disability Insurance Scheme (NDIS) Psychosocial Disability Transition Task Force. The purpose of this taskforce is to monitor the impact of the NDIS transition arrangements on clients and service providers and develop solutions and advise on appropriate action.
Collaboration	Ongoing collaboration with Neami National, the PHN and our NPS commissioned provider is essential to the successful enhancement of services in NPS region.

<p>Activity milestone details/ Duration</p>	<p>Provide the anticipated activity start and completion dates (including the planning and procurement cycle): Activity start date: 1/07/2019 Activity end date: 30/06/2020</p> <p>If applicable, provide anticipated service delivery start and completion dates (excluding the planning and procurement cycle): Service delivery start date: Month. Year. Service delivery end date: Month. Year.</p> <p>Any other relevant milestones?</p>
<p>Commissioning method and approach to market</p>	<p>1. Please identify your intended procurement approach for commissioning services under this activity: Not Applicable</p> <ul style="list-style-type: none"> <input checked="" type="checkbox"/> Not yet known <input type="checkbox"/> Continuing service provider / contract extension <input type="checkbox"/> Direct engagement. If selecting this option, provide justification for direct engagement, and if applicable, the length of time the commissioned provider has provided this service, and their performance to date. <input type="checkbox"/> Open tender <input type="checkbox"/> Expression of Interest (EOI) <input checked="" type="checkbox"/> Other approach (please provide details) <p>Internal PHN activity</p> <p>2a. Is this activity being co-designed? Yes</p> <p>2b. Is this activity this result of a previous co-design process? Yes</p> <p>3a. Do you plan to implement this activity using co-commissioning or joint-commissioning arrangements? No</p> <p>3b. Has this activity previously been co-commissioned or joint-commissioned? No</p>

Proposed Activities - copy and complete the table as many times as necessary to report on each activity

ACTIVITY TITLE	INT 3 - Planning, funding, commissioning and establishing psychosocial supports to support clients of previously funded Commonwealth community mental health programs
Existing, Modified, or New Activity	<p>Indicate if this is an existing activity, modified activity, or a new activity.</p> <p>New Activity</p> <p>If activity is existing or modified, provide the relevant reference/s from previous Activity Work Plan/s where possible.</p>
Aim of Activity	To support Commonwealth community mental health clients to test for eligibility under the NDIS via planning, funding, commissioning and establishing services under the CoS and integration of services with the NPS program while ensuring no gaps in service delivery to these clients.
Description of Activity	<p>Activities will include but not limited to:</p> <ul style="list-style-type: none"> Operational and internal administrative support for planning, funding, commissioning and establishing psychosocial supports to support clients of Commonwealth community mental health programs PIR, D2DL and PHaMs that are ceasing on 30 June 2019. Targeted projects to scope areas in which service providers may require extra support to assist their hard-to-reach clients to test NDIS eligibility, as well as promoting activities and processes that are working well. Providing information and advice to all stakeholders on the psychosocial supports and programs available Working closely with current service providers of PIR, D2DL and PHaMs to support clients to continue to receive supports and to transition to new arrangements for which they are eligible. Collecting and managing client data received from current PIR, D2DL and PIR service providers to ensure a smooth transition for clients to new arrangements.
Target population cohort	People with severe mental illness who do not meet the access criteria for the NDIS that require psychosocial support.
Indigenous specific	<p>Is this activity targeted to, or predominantly supporting, Aboriginal and Torres Strait Islander people?</p> <p>No</p> <p>If yes, briefly describe how this activity will engage with the Indigenous sector.</p>
Coverage	Country SA
Consultation	Ongoing consultation occurs via the South Australian National Disability Insurance Scheme (NDIS) Psychosocial Disability Transition Task Force. The purpose of this taskforce is to monitor the impact of the NDIS transition arrangements on clients and service providers and develop solutions and advise on appropriate action.

Collaboration	Ongoing collaboration with Neami National, the PHN and our NPS commissioned provider is essential to the successful enhancement of services in NPS region.
Activity milestone details/ Duration	<p>Provide the anticipated activity start and completion dates (including the planning and procurement cycle):</p> <p>Activity start date: 1/07/2019 Activity end date: 30/06/2020</p> <p>If applicable, provide anticipated service delivery start and completion dates (excluding the planning and procurement cycle):</p> <p>Service delivery start date: Month. Year. Service delivery end date: Month. Year.</p> <p>Any other relevant milestones?</p>
Commissioning method and approach to market	<p>1. Please identify your intended procurement approach for commissioning services under this activity: Not Applicable</p> <p><input type="checkbox"/> Not yet known <input checked="" type="checkbox"/> Continuing service provider / contract extension <input type="checkbox"/> Direct engagement. If selecting this option, provide justification for direct engagement, and if applicable, the length of time the commissioned provider has provided this service, and their performance to date. <input type="checkbox"/> Open tender <input type="checkbox"/> Expression of Interest (EOI) <input checked="" type="checkbox"/> Other approach (please provide details)</p> <p>Internal PHN activity</p> <p>2a.
