Spotlight on Community Projects

Whyalla Suicide Prevention Network – Worlds Biggest Comic

15-part, large scale, visual narrative promoting mental health and wellbeing in the community spanning over 600 square meters.

Empowering Lower Eyre – Great Flinders Mental Health Round

Engaging local Football and Netball clubs in conversations to reduce stigma of suicide and promote help-seeking behaviours.

SOS Yorkes – 2021 Mental Health Awareness Calendar

A calendar which showcases a suite of mental health and help-seeking stories of local champions. The personal narratives and images foster relatable experiences that breakdown stigma and facilitate conversations about mental health in the community.

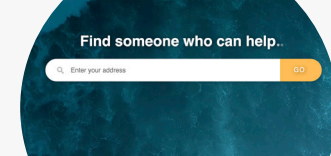

Mentally Fit EP – Everyone has a Story

Artistic short films to empower community members to be mentally healthy, encouraging them to reach out for support.

SOS Copper Coast – Community Suicide Prevention Website

Local website to assist community members to access local suicide prevention information.

elcome to SOS Copper Coast, an organisation formed in
to promote and support suicide prevention activities and
to provide services available to the Copper Coast community

Lincoln Alive – Community Suicide Reflection Seat

Workshops to develop a seat that will be a place for quiet reflection, starting lifesaving conversations and bringing people together.

SILPAG – Mental Health Awareness Coasters

Drink coasters produced with images of local men accompanied with messages to reduce stigma and encourage help seeking.
