

Every Nurse's Business

Building the capacity of Registered Nurses to care for people with intellectual disability (ID) and/or autism (ASD) in mainstream health settings

Free CPD Programme

Every Nurse's Business offers foundational, intermediate, and advanced levels of learning and opportunities to **claim CPD hours throughout**. It includes interactive content, videos, quizzes, interviews with experts, live synchronous sessions, and independent assessments.

Why improve in this area?

- + People with ID and/or ASD experience higher levels of mortality, comorbidity, greater hospitalisations, and complications.
- + RNs have self-reported low levels of comfort, confidence, and educational experience relevant to care for this cohort who present at all healthcare settings.

Champion of Change

Improve your capacity to care for people with ID and/or ASD. Be a champion for change in your workplace!
