

Targeted Regional Initiatives for Suicide Prevention Small Grants

Country SA PHN is offering small grants of up to \$20,000 excluding GST to community groups, Suicide Prevention Networks and non-government organisations located within country South Australia.

The purpose of the Targeted Regional Initiatives for Suicide Prevention grants is to progress one or more of the following goals for suicide prevention within country South Australia. Applications must fall within the following strategy types and/or progress findings from the local evaluation of the Country SA PHN National Suicide Prevention Trial.

To view the evaluation report please [click here](#).

1. Promoting **help-seeking, mental health, and resilience**
2. Training the community to **recognise and respond** early to distress
3. Improving **care coordination** and **service pathways**
4. Engaging the community and providing opportunities **to be part of the change**
5. **Building capacity** and **capability** of **local workforce** to respond to suicide and distress
6. Encouraging **safe and purposeful media** reporting

Some of the above categories have been developed using the LifeSpan model's systems approach. To find out more about the LifeSpan model please [click here](#).

APPLICATIONS CLOSE: 2.00pm (ACST) Wednesday 27 September 2023
