Join the conversation and discuss how together we can build a compassionate community in your local community. Compassionate communities are communities with networks of support around people experiencing a serious illness, ageing, disability, dying, grief and caregiving.

**EVERYONE IS INVITED. THIS IS AN IMPORTANT CONVERSATION FOR YOUR WHOLE COMMUNITY.**

You will receive information and participate in discussions about compassionate communities, including how to become a more compassionate neighbour and friend, what services and supports are currently available and explore what compassionate communities could look like within your local neighbourhood.

**DO YOU KNOW PEOPLE WHO ARE EXPERIENCING A SERIOUS ILLNESS, AGEING, DISABILITY, DYING, GRIEF AND/OR CAREGIVING (EITHER PERSONALLY OR PROFESSIONALLY)? THEN IT IS ESSENTIAL FOR YOU TO ATTEND THESE MORNING TEAS.**
